

# HERTFORD HEATH PARISH COUNCIL

## NEWSLETTER

Issue 4 August 2004

### TEENAGERS' MEETING POINT

The teenagers' meeting point has been moved to one of the sites on the Playing Field suggested by the National Playing Fields Association. Thanks to a grant from East Herts District Council and the efforts of William Ashley, the work was carried out in record time. Initial reports are that the noise nuisance has been substantially reduced.

Mr Bourke of Elbow Lane Farm generously carried out works to level the area in front of the practice goal post (removing a lot of rubbish at the same time) at no cost to the Parish Council.

The Parish Council's Playing Field Committee will now turn its attention to the children's play area.

### WILDLIFE MEADOW FORMALLY OPENED

On a blustery but dry 4<sup>th</sup> July, District Councillor William Ashley opened the new Wildlife Meadow by cutting three tapes around the site. Many villagers then enjoyed a picnic on the meadow.

Honoured guests included the Mayor of Hertford, Peter Ruffles, Kathleen Overman (shown below) whose family donated the bench in memory of Elijah Childs, Charles Cutler and Stanley Cutler, and members of the Countryside Management Service who have worked closely with the Parish Council in developing the site. Volunteers are now needed to help maintain the meadow. Please contact the Chairman or the Clerk if you wish to help.
